

José Denis-Robichaud

DVM MSc PhD Dipl. ACVPM (she|elle)

Based in Amqui (Canada), a Mi'kma'ki territory

josedr@hotmail.ca

josedenisrobichaud.com

Professional summary

Dr. Denis-Robichaud is a veterinary epidemiologist working as an independent researcher. She is a diplomate of the American College of Veterinary Preventive Medicine ([ACVPM](#)), and an associate member of the GREZOSP ([Groupe de Recherche en Épidémiologie des Zoonoses et Santé Publique](#)). She collaborates with multiple research groups with the ultimate goal to integrate the One Health concepts into diverse contexts, from population animal health to public health. She also works as a post-doctorate research fellow and mentors graduate and undergraduate students at the University of British Columbia, and she volunteers for [Veterinarians Without Borders](#).

Education and qualifications

I. Academic background

Doctor of Philosophy (Ph.D.), Population Medicine
University of Guelph

Master of Science (M.Sc.), Veterinary Sciences
Université de Montréal

Doctor of veterinary medicine (DVM)
Université de Montréal

II. Professional development

Specialty certification

Diplomate of the American College of Veterinary Preventive Medicine ([ACVPM](#))

Continuing education

Bayesian Latent Class Analyses – 2023
Instructor: Simon Dufour; [Université de Montréal](#)

Introduction to Bayesian Networks – 2022

Instructor: Owen Woodberry; [Bayesian Intelligence Pty Ltd](#)

Instructional Skills Workshop – 2021

Course leaders: Natalie Westwood and Andrea Johnson; Centre for the Integration of Research, Teaching, and Learning ([CIRTL](#)), University of British Columbia

Online [Prep ACVPM](#) Course – 2021

Course leaders: Danelle Bickett-Weddle and Glenda Dvorak; Iowa State University

Core Skills Training (Git, Github, Jekyll, Docker, Markdown/AsciiDoc) – 2021

University of British Columbia [Library Research Commons](#)

Bayesian Latent Class Modelling in Animal Health – 2016

Instructors: Wes Johnson, Ian Gardner, and Henrik Stryhn; [Epi on the Island](#)

Introduction to Multilevel Modelling – 2016

Instructors: Ian Dohoo, Henrik Stryhn, and Javier Sanchez; [Epi on the Island](#)

III. Language skills

- French: native language
- English: advanced
- Dutch: novice

Professional experience

I. Consulting

Founder and principal consultant – 2017 to now

Veterinary preventive medicine and epidemiology consulting

Responsibilities include:

- To develop, analyze, interpret, and publish research projects with major stakeholders in animal science, public health, and One Health.
- To design and create online courses for continuing education of veterinarians and animal scientists.
- To interview researchers, farmers, and other stakeholders for communicating changes and challenges to the dairy industry and the public.

II. Research

Postdoctoral research fellowship, University of British Columbia (part-time) – 2020 to 2024

Project: *Integrating genomic approaches to improve dairy cattle resilience*

Supervisor: Dr. Ronaldo Cerri

Research advisor, Université de Montréal (part-time) – 2021 to 2022

Project: *Improving Early Warning of Emerging Threats*

Supervisors: Dr. Hélène Carabin and Dr. Christina Zarowski

III. Clinical position

Veterinary clinician (part-time) – 2011 to 2013

Ruminant Ambulatory Clinic, Université de Montréal

Supervisor: Dr. Luc DesCôteaux

Research activities

I. Current projects

Period	Client	Title and collaborators	Role
2022 – 2024	Université de Montréal	<i>Accuracy of luminometry to detect infection in dairy cattle</i> PI: Dr. Jocelyn Dubuc	Consultant
2022 – 2024	Université de Montréal	<i>Herd-level metabolites associated with poor health and performance</i> PI: Dr. Jocelyn Dubuc	Consultant
2024	Fédération des Producteurs d'Oeufs du Québec	<i>Revue de littérature et évaluation de l'échantillonnage pour la surveillance de Salmonella Enteritidis dans les troupeaux québécois de poules pondeuses</i>	Consultant
2024	Portland Veterinary Emergency and Specialty Care	<i>Effect of lavage temperature on blood pressure and dynamic preload</i>	Consultant
2024	Gestion ENC & Antech Imaging Service	<i>Effect of acquisition time on the characterization of gadolinium-enhanced brain lesions</i>	Consultant

II. Previous projects

Period	Client	Title and collaborators	Role
2020 – 2024	University of British Columbia	<i>Integrating genomic approaches to improve dairy cattle resilience: A comprehensive goal to enhance Canadian dairy industry sustainability</i> MPI: Dr. Ronaldo Cerri, Dr. Christine Baes, Dr. Marc-André Sirard, and Dr. Paul Stothard	Postdoctoral researcher

Period	Client	Title and collaborators	Role
2023 – 2024	Public Health Agency of Canada	<i>Social media as a Public Health tools – part 2</i> PI: Dr. Erin Reese	Consultant
2023 – 2024	Fédération des Producteurs d’Oeufs du Québec	<i>Évaluation de la vitamine D dans les Oeufs produits au Québec, Canada</i>	Consultant
2023	Université de Montréal	<i>Infection of domestic cats with SARS-CoV-2 in households with a recent human COVID-19 case</i> MPI: Dr. Cécile Aenishaenslin	Consultant
2022 – 2023	Université de Montréal	<i>Communication channel in a zoonotic event of swine influenza in Canada</i> MPI: Dr. Hélène Carabin, Dr. Erin Reese, Dr. Christina Zarowski, and Dr. Suzanne Hindmarch	Consultant
2022 – 2023	Université de Montréal (ESPUM)	<i>Social media as a Public Health tools</i> MPI: Dr. Simon de Montigny, Dr. Erin Reese, and Dr. Hélène Carabin	Consultant
2022 – 2023	Université de Montréal	<i>Mental health of COVID-19 on animal health workers</i> PI: Dr. Cécile Aenishaenslin	Consultant
2022 – 2023	Équipe québécoise de contrôle des maladies avicoles	<i>Détection précoce du virus de la bronchite infectieuse dans les troupeaux de poules pondeuses au Québec</i> PI : Dr. Martine Boulianne	Consultant
2022	Fédération des producteurs d’œufs du Québec	<i>Utilisation de litière recyclée dans les troupeaux de poulets de chair</i> PI : Dr. Martine Boulianne	Consultant
2021 – 2022	Université de Montréal	<i>Improving Early Warning of Emerging Threats</i> MPI: Dr. Hélène Carabin, Dr. Erin Reese, Dr. Christina Zarowski, and Dr. Suzanne Hindmarch	Research advisor
2020 – 2022	Université de Montréal	<i>Evaluation of One Health agreements for infectious diseases and antimicrobial</i>	Consultant

Period	Client	Title and collaborators	Role
		<i>resistance within governance settings</i> PA: Dr. Hélène Carabin	
2020 – 2022	Université de Montréal	<i>Impact of pet ownership on mental health and well-being during the COVID-19 pandemic</i> PI: Dr. Hélène Carabin	Consultant
2020	Clinique Vétérinaire de Coaticook	<i>Oral calcium and calcemia in dairy cows</i> PI: Dr. Vincent Caldwell	Consultant
2019 – 2022	Université de Montréal	<i>Methods used by Canadian dairy farmers and veterinarians and the psychological impact of on-farm euthanasia</i> PI: Dr. Luc DesCôteaux	Consultant
2019 – 2021	Université de Montréal	<i>Evolution of the proportion of respiratory and enteric pathogens and diseases in dairy heifers</i> PI: Dr. David Francoz	Consultant
2019	Intervet Canada	<i>Vaccination schedules for dairy calves in a commercial setting</i> PI: Dr. Guy Boisclair	Consultant
2018 – 2022	Université de Montréal	<i>Impact of insulin combined to propylene glycol as treatment for cows with hyperketonemia and hypoglycemia</i> PI: Dr. Jocelyn Dubuc	Consultant
2018 – 2021	Université de Montréal	<i>Pegbovigrastim as an adjunct therapy for naturally occurring severe clinical mastitis cases in dairy cows</i> PI: Dr. Jocelyn Dubuc	Consultant
2018 – 2020	Center for Public Health and Ecosystem Research	<i>Microbial contamination and associated risk factors in retailed pork from key value chains in Northern Vietnam</i> PI: Dr. Fred Unger	Volunteer

Period	Client	Title and collaborators	Role
2017 – 2020	University of Guelph	<i>Canadian National Dairy Study: Biosecurity</i> PI: Dr. David Kelton	Consultant
2017 – 2020	University of Guelph	<i>Canadian National Dairy Study: Lameness</i> PI: Dr. David Kelton	Consultant
2017 – 2019	Advanced Animal Diagnostics	<i>Milk leukocyte differential test for decision-making in a selective dry cow therapy program</i> PI: Dr. Mitchell Hockett	Consultant
2011 – 2019	Université de Montréal	<i>Intrauterine Escherichia coli virulence genes and subsequent reproductive tract disease in postpartum dairy cows</i> PI: Dr. Jocelyn Dubuc	Student and consultant

Past

1. Denis-Robichaud, J., E.E. Rees, P. Daley, A. Diouf, M. Gangbè, C. Zarowsky, B.R. Nasri, S. de Montigny, and H. Carabin. *Association between Twitter use and adherence to public health measures in Canada 2020-2021: Results from 11 months of repeated national surveys*. American Public Health Association 2023 Annual Meeting. Atlanta, US. Poster.
2. Denis-Robichaud, J., A.P. Oliveira, M.H.C. Pereira, K.G. Pohler, R.L.A. Cerri, and J.L.M. Vasconcelos. *How long is the estrous cycle of dairy cows?* American Dairy Science Association Joint Annual Meeting 2023. Ottawa, Canada.
3. Denis-Robichaud, J., J.-C. Mutabazi, M. D'Astous, N. Nswal, A. Osborn, S. Hindmarch, C. Zarowsky, E. Rees, and H. Carabin. *Étude des canaux de communication Une Seule Santé lors d'un cas humain d'influenza porcin*. IXème Congrès International d'Épidémiologie EPITER-ADELFI 2022. Québec, Canada.
4. Denis-Robichaud, J., A.C.C. Fernandes, J.E.P. Santos, and R.L.A. Cerri. *Factors associated with embryo fertilization and quality in dairy cows*. 19th International Congress on Animal Reproduction 2022. Bologna, Italy. Poster.
5. Denis-Robichaud, J., C. Aenishaenslin, L. Richard, M. Desmarchelier, and H. Carabin. *Association between pet ownership and mental health and well-being of Canadians assessed in a cross-sectional study during the COVID-19 pandemic*. 24th IUHPE World Conference on Health Promotion 2022. Montréal, Canada. Poster.
6. Denis-Robichaud, J., M.-E. Tremblay Clérout, S. Buczinski, M.-L. Gauthier, J. Dubuc, and D. Francoz. *Prevalence of respiratory pathogens and diseases in dairy heifers at two different moments in their preweaning period*. The American Association of Bovine Practitioners Conference 2021. Salt Lake City, US.
7. Denis-Robichaud, J., J. Dubuc, C. Bauman, H. Barkema, G. Keefe, and D.F. Kelton. *Adoption of biosecurity practices on Canadian dairy farms*. The American Association of Bovine Practitioners Conference 2019. St. Louis, US. Proc., 52:370.
8. Denis-Robichaud, J., J. Dubuc, C. Bauman, H. Barkema, G. Keefe, and D.F. Kelton. *Involving veterinarians in the implementation of biosecurity practices on dairy farms*. The American Association of Bovine Practitioners Conference 2019. St. Louis, US. Proc., 52:371.
9. Denis-Robichaud, J., J. Dubuc, C. Bauman, H. Barkema, G. Keefe, and D.F. Kelton. *Biosecurity Practices in Canadian Dairy Herds*. World Buiatrics Congress 2018. Sapporo, Japan.
10. Denis-Robichaud, J., R. Almeida, S. Ivey, R.R. Rodriguez, M. Payne, and M.E. Hockett. *Performance of milk leukocyte differential test in selective dry cow therapy approach*. World Buiatrics Congress 2018. Sapporo, Japan.
11. Denis-Robichaud, J., S.J. LeBlanc, A. Jones-Bitton, and R.L.A. Cerri. *Association between circulating progesterone during the luteal phase and estrous activity detected by automated activity monitoring in dairy cattle*. American Dairy Science Association Joint Annual Meeting 2016. Salt Lake City, US. Journal of Animal Science. 94(Suppl.5): 350.

12. Denis-Robichaud, J., R.L.A. Cerri, A. Jones-Bitton, and S.J. LeBlanc. *Reproductive performance with automated activity monitoring or a timed insemination program for first insemination in dairy cows*. American Dairy Science Association Joint Annual Meeting 2016. Salt Lake City, US. Journal of Animal Science. 94(Suppl.5): 542.
13. Denis-Robichaud, J., R.L.A. Cerri, A. Jones-Bitton, and S.J. LeBlanc. *Associations between management practices and reproductive performance in Canadian dairy herds*. American Dairy Science Association Joint Annual Meeting 2015. Orlando, US. Journal of Dairy Science. 98(Suppl.2): 874.
14. Denis-Robichaud, J., R.L.A. Cerri, A. Jones-Bitton, and S.J. LeBlanc. *Survey of management of reproduction on Canadian dairy farms*. The American Association of Bovine Practitioners Conference 2014. Albuquerque, US. Proc., 47:139.
15. Denis-Robichaud, J. and J. Dubuc. *Intrauterine cephalixin infusion is associated with better reproduction performance in cows with purulent vaginal discharge and cytological endometritis*. American Dairy Science Association Joint Annual Meeting 2015. Orlando, US. Journal of Dairy Science. 98(Suppl.2): 191.
16. Denis-Robichaud, J. and J. Dubuc. *Validation of two diagnostic methods for endometritis in postpartum dairy cows*. American Dairy Science Association Joint Annual Meeting 2013. Indianapolis, US. Journal of Dairy Science. 96(Suppl.1): 383.
17. Denis-Robichaud, J. and J. Dubuc. *Diagnostic et impact de l'endométrite post-partum chez la vache laitière*. 6th Annual Symposium of the Réseau Québécois en Reproduction 2013. Victoriaville, Canada.

Theses

1. Denis-Robichaud, J. 2016. *Assessment of automated activity monitors for managing reproduction in dairy cows*. Ph.D. Thesis. University of Guelph, Guelph, Canada. <http://hdl.handle.net/10214/10123>.
2. Denis-Robichaud, J. 2013. *Effet d'un traitement intra-utérin de céphalexine sur les performances en reproduction des vaches laitières*. Université de Montréal, Saint-Hyacinthe, Canada. <http://hdl.handle.net/1866/10776>.

Teaching activities

I. Academic – graduate students

Co-instructor (AANB 504 – Research Methodology in Applied Animal Biology) – 2020 and 2021

University of British Columbia

Role: to teach applied biostatistics and epidemiological concepts

Reviews:

- *Ultimately I thought it was a good approach! In particular, working with José was INCREDIBLE, she is such a wealth of knowledge.*
- *Dr. Denis-Robichaud encouraged consideration of differing methodological concepts (epidemiology vs applied sciences) during discussion.*

II. Academic – undergraduate students

Invited speaker (PAA 4409 – Développement international vétérinaire) – 2021

Université de Montréal

Role : to present on veterinary international development experience

Research mentor (ABPI 398 – Research Methods in Applied Biology) – 2020

University of British Columbia

Role : to introduce a student to research methods and to supervise the preparation of a literature review and the presentation of results

Teaching assistant – 2012 to 2013

Université de Montréal

Role: to facilitate multiple veterinary classes and workshops, including office hours and grading

Instructor – 2012

Université de Montréal

Role: to lead a group of veterinary students for a farm evaluation

III. Continuous education – professionals

Speaker for continuous education workshop - 2023

[La communauté de pratique en épidémiologie de terrain](#)

Role: to share knowledge and experience on One Health with over 100 field epidemiology professionals as part of recognized continuous education credits: [One Health communication channels](#) (en français)

Reviews:

- *Très bon sujet. Belle approche pour permettre les échanges.*
- *Excellente conférencière: claire, facilite l'interaction.*
- *Animation dynamique impliquant les participants tout au long de la conférence.*
- *Très belle présentation et contenu intéressant.*

Workshop leader (volunteer) – 2020 to now

Veterinarians Without Borders – Canada

Role: to lead discussions on One Health following an [online introduction](#)

Online course developer – 2017 to 2019

Centre d'expertise en développement continu des compétences vétérinaires

Role: to design and create continuous education courses for dairy cow veterinarians

[Management of reproductive health of dairy cows](#)

[Early non-pregnancy diagnosis – Doppler ultrasound](#)

[Diagnostiquer la balance énergétique négative en péripartum](#) (en français)

Communication activities

Panelist for Veterinarians Without Borders, North America – 2024

‘How can One Health approaches empower communities to enhance women’s health globally?’

Role: to share experience about specific challenges women are facing in agriculture, and to highlight the importance of giving opportunities and recognition to women with the ultimate goal to benefit the health of humans, animals and ecosystems

Interviewer for podcasts broadcasted by the Dairy Farmers of Canada – 2020 to 2024

Role: to interview stakeholders of the dairy industry to share producers' challenges and opportunities via a podcast

- Movement and exercise with [Dr. Clémence Nash, Dr. Elsa Vasseur, Olivier Charbonneau, and Peter Strebel](#)
- Alfalfa yield and persistence with [Dr. Annick Bertrand and Dr. Solen Rocher](#)
- Soil health with [Dr. Marie-Élise Samson](#)
- Biodiversity with [Maria-José Maezo](#) and [Sylvain Laquerre](#)
- Biosecurity with [Dr. Simon Dufour](#) and [Jasmin Mathieu](#)
- Animal welfare with [Dr. Elsa Vasseur](#) and [Mylène Bégin](#)

Facilitator for Dairy Farmers of Canada’s KTT events – 2023

Role: to lead knowledge translation and transfer activities with dairy farmers (in person and online)

Focus group leader – 2020 to 2022

Role: to lead focus groups as support for the 2023 revised [Dairy Code of Practice](#)

Creator and interviewer (volunteer) – 2020

Role: to create an [online introduction to One Health](#) for future volunteers

Awards and scholarships

I. International and national

Alexander Graham Bell Canada Graduate Scholarships – 2015 to 2016

Doctorate, Natural Sciences and Engineering Research Council of Canada

Alexander Graham Bell Canada Graduate Scholarships – 2012 to 2013

Master, Natural Sciences and Engineering Research Council of Canada

2nd place Student Presentation Award – 2011

American Association of Bovine Practitioner

AABP Education Grant – 2011

American Association of Bovine Practitioner

II. Provincial

Ontario Graduate Scholarship – 2014 to 2015

Ontario Student Assistance Program

Master's excellence scholarship from the Canadian Dairy Commission – 2012 to 2013

Novalait

III. Institutional

Canadian Dairy Commission PhD Scholarship – 2013 to 2016

University of Guelph

OVC Fellowship – 2013 to 2016

Ontario Veterinary College

Master's admission scholarship – 2012

Faculty of Graduate and Postdoctoral Studies, Université de Montréal

Community involvement

I. Peer reviewing

- Animals, since 2024
- Veterinary Research Communications, since 2023
- Frontiers, since 2022
- Reproduction in Domestic Animals, since 2019
- The Veterinary Journal, since 2017
- Theriogenology, since 2017
- Veterinary Research, since 2017
- Journal of Applied Animal Research, since 2017
- Journal of Dairy Science, since 2016
- Canadian Veterinary Journal, since 2015
- Livestock Science, since 2015
- The Bovine Practitioner, since 2013

II. Volunteering

Hang Gliding and Paragliding Association of Canada safety committee member – 2024

Role: to analyze and report on incident and accident data

American College of Veterinary Preventive Medicine committee member – 2022 to now

Membership and Outreach Committee and Strategic Planning Committee

Role: to support and to develop the College membership, and to lead the awareness initiatives of the strategic plan of the ACVPM

Veterinary Advisory Council Member – 2022 to now

Veterinarian Without Borders – Canada

Role: to support volunteer training (focus on integrating the One Health approach)

Mentoring ACVPM candidates – 2022 to now

Role: to offer support and follow up to candidates (one per year) studying for the specialty exam

External survey development team – 2022

Membership and Outreach Committee of the ACVPM

Role: to develop the external survey questionnaire, and to analyze the data and present the results to the Executive Board of the College

In-country volunteer (Hanoi – Vietnam, and Mbarara – Uganda) – 2018 to 2020

Veterinarian Without Borders – Canada

Role: to support in-country projects (One Health, research, and dairy cattle health and management)

Speaker – 2012

Sensibilisation aux Études, à l'Université et à la Recherche

Role: to promote academic and scientific professions to high school students

Others

I. Sports

Introduction to snow-kiting for Atikamekw youth – 2024

Obedjiwan, Québec – Canada

Role: to introduce elementary and secondary school students to snow-kiting

Sports photographer and videographer – 2018 to now

Around the world

Role: to produce photo and video content for kitesurfing and para-kite brands

II. In the media

Podcast guest (en français) – 2022

[Du Coq à l'Âne](#)

Videographer and van wrangler – 2022

[A road trip movie in Mexico](#)

Videographer and kitesurfer – 2022

[The ultimate kitecruise](#)

Videographer and kitesurfer – 2021

[Kiteboarding in the Canadian Rockies](#)
